Season Greetings and Happy New Year!

This is the time of year we often reflect on the past and look forward to the coming New Year, it's typically a season of joy and time with family. The Summer Village of Parkland Beach council would like to extend our best wishes to everyone for a safe, happy, and healthy holiday season. As we look back on the past year, we acknowledge all those who have helped us shape our community. Thank you for a great year, and we wish you all the best as you embark on the new year.

Please take some time to enjoy our village over the holidays and view the many festive lights and decorations our residents have put up.

STEPS to SECURITY

The RCMP have provided the following tips for crime prevention and reporting:

- Install an audible, loud, on-site alarm / Security cameras may also help
- When your home or cottage is vacant, remove valuables and other sought-after items such as liquor
- Make sure your property looks lived-in and have someone do regular check-ins if you are away
- Call RCMP right away when you see suspicious behaviour – not hours later
- Do not give chase, but stay out of view when you call so the suspect is not alerted; and be cautious as they may be armed
- Neighbours walking around the community and watching out for each other is one of the most effective methods of crime prevention
- Join or support the local Gull Lake North COPS (Citizens on Patrol) – it is a deterrent to crime

Council Meetings - 3rd Monday of each month @ 6:30 pm (Changes will be posted on the Website)
