

PARKLAND BEACH NEWSLETTER

April 2023

NEWS FROM COUNCIL

Spring has finally arrived, and we are looking forward to a busy summer with all of you at the lake!

Welcome Back Meet and Greet!

**Want to meet some of your neighbors, get to know more people in the village?
Saturday, May 20th 7:00PM – 10:00ish...
Open House - Village Hall**

Border Paving will be returning within the next week to clean up the gravel on the shoulders, and add some gravel to driveway approaches where they had paved last fall on Parkland Drive

Cyril Fortney has resigned his position as Chief Administrator Officer (CAO) with the village to take on an exciting new opportunity. Harold Wynne will be replacing Cyril and he starts on May 1, welcome to the community Harold.

Unfortunately, the Province of Alberta has denied the application from the Gull Lake Watershed Society to resume pumping from the Blindman, due to concerns for carp to enter the lake despite the filtration process that was being proposed. Council will be working with the GLWS to look for different approaches.
