Season Greetings and Happy New Year!

The Council and the Staff from the Summer Village of Parkland Beach would like to take this time to wish everyone a safe, happy, and healthy holiday season. As we look back on the past year, we acknowledge all those who have helped us shape our community. Thank you for a great year, and we wish you all the best as you embark on the new year.

Please take some time to enjoy our village over the holidays and view the many festive lights and decorations our residents have put up. Please see more information for Light up the Lake Event taking place on December 16, 2023 on Page 2 of the Newsletter, as well on our website.

From Mayor Marc Mousseau, Councillor Terry Crawford, Councillor Darcy Robinson, CAO Harold Wynne, and Administrative Assistant Gwen Auvigne
